Dear Sir,

**Sub: Disclosure of information pursuant to Regulation 30(2)**

This is to inform you that, considering the acute water shortage in Dakshina Kannada district and Mangalore city, with the depletion of reservoir level at Thumbe and delayed pre-monsoon showers, City Corporation / District administration has stopped water supply to the Company from the midnight of April 26, 2016. Thus, the Company has initiated operation of Ammonia and Urea plants at reduced capacity for next about 4 days and thereafter, depending upon availability of water, continuing operation of the Urea plant will be decided.

This disclosure, being material, is made pursuant to Regulation 30(2) read with Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,

**Yours faithfully,  
for Mangalore Chemicals and Fertilizers Limited**

**Vijayamahantesh V. Khannur  
Company Secretary**
