Dear Sir,

Sub: Disclosure of information pursuant to Regulation 30(2) re - Stoppage of Urea Production.

Further to our letter dated April 27, 2016, wherein we had informed that the Company had initiated operation of Ammonia and Urea plants at reduced capacity due to acute water shortage in Dakshina Kannada district and Mangalore city with the depletion of reservoir level at Thumbi and delayed pre-monsoon showers.

In view of non-availability of water, the urea production is stopped from May 7, 2016 and the production will resume once the water is available.

This disclosure, being material, is made pursuant to Regulation 30(2) read with Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,

**Yours faithfully,
for Mangalore Chemicals and Fertilizers Limited**

**Vijayamahantesh V. Khannur
Company Secretary**
